

Located in the Alanya district of Antalya, the pearl of the Mediterranean, Avsallar offers magical pleasures with its wide and long beaches. Incekum and Fugla are the most popular beaches. Avsallar has been an important center for domestic and foreign tourists, together with the urban settlements and hotels in the region. Bananas and avocados are the main livelihoods of the region. With an understanding that attaches importance to integration, Avsallar is a social and international place with its 22 sister cities. As Gloria Group Company, we are here again with the SKY Tower project. Our project consists of 9 floors. There are 8 1+1 duplexes on the first 8 floors, 2 1+1 and 8 2+1 duplexes on the 9th floor. It is only 2 km away from the beach. The main social activities of our project are;

- 1) Outdoor swimming pool
- 2) Fitness
- 3) Turkish bath
- 4) Steam room
- 5) Sauna
- 6) Indoor swimming pool
- 7) Children's playground
- 8) Snack bar
- 9) Mini basketball court
- 10) Table tennis
- 11) BBQ
